

## The King's Garden: *A Dream Coming True!*

***Many thanks to all the volunteers under the direction of Eagle Scout Candidate and CKRS Alum Jack Schwab who came out to complete Phase I of the King's Garden during Easter Break.*** A King's portion of thanks to Jack, the Scouts, the young men from Saint Joe's Prep, the Schwab Family, the Doyle-Dearhouse Family, the Blum Family, and both the De Shayes families for their herculean efforts and generous support during Phase I .

Much work has been already been done, but there is still more to do in Phase II and Phase III and we are counting on our CKRS students and their families to help us with this wonderful project. If you would like to volunteer to be responsible for some aspect of the King's Garden or can share some of your time, talents and treasure in this endeavor, please contact Mrs. Hartman.

The King Garden's Planning Committee for Phase II will be meeting on Tuesday evening at 7:00p.m. at CKRS.

Check out all the great photos on the next page!

Thank you all the Volunteers for  
The King's Garden!
